*May the road rise to meet you
May the wind be always at your back
May the sun shine warm upon your face
The rain fall soft upon your fields and
May God hold you in the palm of His hand
Until we meet again.*

Report of the Board of Selectmen

TO THE RESIDENTS OF THE TOWN OF MILFORD:

The events of this year offered the townspeople of Milford the chance to reflect nostalgically upon its rich heritage and to look expectantly into the future as new opportunities emerged for commercial and economic growth.

In the true spirit of continuing two hundred years of progress, the Board of Selectmen worked closely with many committees, staff members and committed individuals in bringing to fruition several important economic development projects. In the spring, the Department of Housing and Urban Development awarded the Town \$300,000 for a Community Development Block Grant Program to provide funds to 112 homeowners within the target area for improvements such as weatherization, new heating systems, and roof repairs. It is the Board's hope that eligible homeowners will take advantage of this program, and that HUD will grant additional funds to expand the original target area.

Along with the needed upgrading of our housing stock, the Board continued to move forward with projects designed to nurture the revitalization of commercial and industrial activities in Milford. Designation of two Commercial Area Revitalization Districts (CARD) by the Executive Office of Communities and Development - one encompassing the downtown business area and the other an area bordering Route 495, Medway Street and the Milford Plaza - will enable merchants to apply for several attractive state-funded financing programs. The uptown CARD will be the site of a major hotel complex which will break ground in the spring of 1981. Creation of these districts will ensure the future stabilization and expansion of Milford's economic base.

Strengthening the Town's economic base, long a concern of the Selectmen, took a giant step forward through the wisdom of Town Meeting on June 25, 1980, when it authorized the creation of a 103-acre industrial park off Beaver and Maple Streets, bordering the Milford/Bellingham town line. A \$125,000 authorization voted at the previous Annual Town Meeting to increase the capacity of the Birch Street pumping station was planned in anticipation of major industrial development

in this area. An additional \$295,000 was authorized for bonding at the June meeting to make the necessary public improvements, including land-taking, road, drainage and sewer upgrading, to accommodate the major industries which will be locating in the industrial park.

While the Town was planning for its economic well-being, the many scheduled Bicentennial events provided residents with entertaining and educational glimpses into its past. The Bicentennial year opened officially with the Incorporation Ceremony at Memorial Hall on April 11, 1980, and culminated in the grand Bicentennial Parade on June 15, 1980. Of course, we will also long remember the "World's Longest Antipasto" and the "World's Largest Strawberry Shortcake," both generously donated by Jean's Catering of Milford.

In the midst of this busy year, the Board accepted with regret, the resignation of its very capable Executive Secretary, Andrew A. Gala, who left to assume the post of Town Administrator in Foxboro, Massachusetts. In May, the Board welcomed as its new Executive Secretary Ms. Judith T. Sparrow who formerly served in the same capacity in Rehoboth, Massachusetts.

The Board also continued to monitor several ongoing projects designed to improve the Town's environmental quality of life. Construction of the Louisa Lake Dam is nearing completion, with its opening targeted for the summer of 1980. Residents are to be commended for their excellent cooperation in complying with the detour necessitated by the temporary closing of Dilla Street. This year also marked the completion of the new transfer station which will afford residents the opportunity to dispose of large, bulky items in a convenient, organized manner. The renovation of St. Mary's School, to be renamed Middle School East, should also be ready to open its doors for the 1980-1981 school year.

In reviewing this year's many exciting events, the Board wishes to thank the many individuals who contributed so much time and effort in making the Town of Milford an even better place in which to live and work.

The Bicentennial Year - A Retrospective

Milford's Bicentennial year was heralded in with the tolling of church bells and fire whistles at noon January 1, 1980. Events were held continuously throughout the year celebrating our birthday by all the schools, the Bicentennial Commission, the Brothers of the Brush, the Belles, and the Historical Commission.

The traditional ceremony of the burying of the razor was held January 28 at the Town Hall by the Brothers of the Brush. Saturday, February 23, the Milford Couples Club sponsored a beauty pageant in the David I. Davoren auditorium where Julie McNanna, a Milford High senior, was crowned "Miss Milford."

As a Bicentennial event for the people of Milford, a comedy play "Corramitt!!," based on Milford's 1925 Town Meeting which determined who would become chief of police, was presented by the Milford Theatre Guild April 9-10. (Milford had the unique experience of having two police chiefs). This play was adapted for the stage by Elaine Evain from an article written by Robert Cenedella.

April 11, 1980 was a grand day both for weather and festivities. It was the anniversary date of our incorporation happily celebrated throughout the town. An ecumenical service was held at the First Congregational Church, the site of our first meetinghouse and church. People dressed in colonial attire and the school children held birthday parties with cakes, skits and patriotic songs and sent hundreds of balloons into the air at noontime. On the steps of Memorial Hall, Representative Salvatore Cimino presented Robert Andreola, Chairman of the Historical Commission, a copy of our original charter to be displayed in the museum. Secretary of State Michael Connolly addressed the crowd of more than 300 and the Milford Middle School Band provided music for the occasion. All the selectmen were present and Senator Louis Bertonazzi spoke of our proud heritage and the bright future for Milford.

Sunday, April 13, the Brothers of the Brush and the Bicentennial Belles created the world's largest antipasto, 300 feet long. Anthony Brenna from the Highlanders was the chairman and Michael Ford of Jean's Catering Service produced it with the help of many Brothers and Belles. Approximately 7500 residents and friends attacked the antipasto. Attending were former Governor John Volpe, and radio personality Larry Glick.

Also on this date, the Historical Commission held the first of several open houses at Memorial Hall. The topic for the day was "Milford Pictorial Past and Present."

Town meeting opened April 16 in the First Congregational Church commemorating the fact that in 1780 all town businesses were conducted from the church, this being considered the town's meetinghouse. This was practiced until 1819 with the building of the present church and our first town hall. On April 26, Senator Paul Tsongas presided over a mock town meeting at the Milford High School. A Bicentennial Concert of the Community Chorus was held April 27.

An ethnic dinner was held at the Armenian Veterans Hall May 10, and the proceeds were donated to the Bicentennial Committee.

Mother's Day, May 11, the Milford Historical Commission dedicated the "History of Milford 1980" which was a written and pictorial story of Milford's

growth from an early settlement to an industrial town with a population of 23,000. There were 500 hardbound copies of which the first 200 were numbered and 750 paperback.

The music and lyrics of the Bicentennial song "200 years - Happy Birthday Milford Town" written by Bob Reed was included in the book.

May 17, a very warm day, the Milford Bicentennial Road Race was signaled to start on Highland Street at 1 p.m. The winner was Chris Willis of Medway, followed by Ralph Moore of Bellingham. Steve Seaver was the first Milfordian to cross the line, and Maggie DiAntonio Chianese of Mendon was the first woman to finish the six-mile course.

The weather on June 15 was bright and beautiful as preparation got under way for the grand Bicentennial parade. By 9 o'clock the 47 floats, 27 bands and countless marchers started to gather on Routes 16 and 109. Among them were some 700 Shriners. Judging of the floats took place at Milford Plaza. First Prize went to the Irish Round Tower built by the Irish Round Tower Club; second place went to the Milford Sons of Italy and the United Sicilian organization received a citation. At 1 p.m., Chairman of the parade, Anthony Brenna, gave a signal for the Grand Marshall, the Honorable Judge Francis Larkin, to start the parade. The three and a half hour extravaganza delighted the jubilant crowd of people as it marched. The day was concluded by a concert performed by the Coast Guard Band at the Milford Plaza. The Greater Milford Chamber of Commerce held a Trade Show at the Armory on June 13, 14, and 15 that was attended by thousands.

There was a special fireworks display at Fino Field July 4, made possible by an appropriation of \$6000 by the town meeting. It was reported 20,000 people came to watch. The field was aglow with green fluorescent lights being thrown into the air, worn on the head and around the neck by thousands of children and adults alike.

Alan King was the guest speaker at the Historical Museum's open house July 27. He performed many Indian dances and displayed Indian artifacts. The commission featured a slide show of Milford's struggle for religious freedom.

August 24 there was a ceremony held at the Brick schoolhouse on Purchase Street. This service commemorated the start of restoring the school as a historical site by the Milford School Belles, the Historical Commission, and Channel 1, a youth program.

September 2, the town hall was again the scene of the Brothers of the Brush and Belles creating another first -- a huge strawberry shortcake that was 161½ feet long and made with 7800 buttermilk biscuits with 50,000 slices of strawberries and 1000 pounds of whipped topping devoured by 3000 people.

September 17, the Highlanders took part in Boston's 350th Anniversary parade. They built a red, white and blue 15-foot birthday cake float with 151 candles.

Sunday, September 14, Silver Hill Road was the scene of a costumed mock battle witnessed by 2500 people. A ragtag 8th Massachusetts Continental Line Regiment fought for one hour and drove back the advancing British troops. Sunday, September 21, several of Milford's historical homes and buildings were open for a tour. On display at the Congregational Church, Milford's oldest

church, were many of their artifacts.

People were demonstrating early American crafts such as quilting, hooking and braiding. Homes that were open were Richard Buma, 42 Congress St., Arlen Johnson, 50 Congress St., Arthur Floyd, 44 Silver Hill Road, Roy Lovell, 198 Purchase St., and Paula Bush, Eben St., as well as the Brick Schoolhouse, Irish Round Tower, Town Hall, and Memorial Hall.

October 5, the Braggville School was rededicated as the headquarters of the Brothers of the Brush. November 2, an "I Love America" concert was held at the town hall. It was presented by the Brothers of the Brush and Belles in honor of "Hostages" one year later.

On November 12, the Historical Commission held its final Birthday Party with a video tape of the June 15 parade presented by Ronald Pagnini, Jr. of the Music Nook, and also featuring Bob Reed.

During the year, there were several other functions. The Brothers held an Alpine Festival August 23, and in June presented the Mayor of Boston a pink granite marker from Milford. It was donated by Ackerman Monument Company of Holliston. For Halloween, the Brothers sponsored a "Horribles Parade." Sunday, Secember 4, the Highlanders held a "Kids Christmas Party" at the town hall with a world's record Christmas card puzzle.

This card is 56 feet long and 24 feet high. The final event celebrating 200 years is the burying of a time capsule in early January at Bicentennial Square. The selectmen dedicated the corner of Franklin and Main Street as Bicentennial Square and a monument was donated by Ackerman Monument Co. of Holliston. The names of the different charters of the Brothers of the Brush were the following: the Highlanders, Castaways and the Bicentennial Belles were: Lady Bugs, Apple Dumpling Gang, and the School Belles.

The Milford Performing Arts groups presented several concerts during the year. Pousette-Dart Band gave a rock concert in January; folk singer Tom Rush in February; Hal McIntyre Band played at a dance in March and Sunday, April 6, "Serenade", an Evening of Operetta. On Sunday, September 21, "An Evening with Al Jolson" starring Clive Baldwin, and also featuring Comedian Scott Record, and vocalist Beverly Rondeau was the final concert at David I. Davoren Auditorium. These concerts were under the direction of Arlan Johnson.

During the entire year Radio Station W.M.R.C. has carried "Milford Historical Notes" several times a day compiled by Rosamond Cooper. On June 7, the Milford Daily News published a souvenir edition of one-hundred pages and entitled "The Spirit of Milford" past and present. It was judged the best special section of 1980 by a New England newspaper organization. All the papers, the Milford Daily News, the Middlesex News, and the Worcester Telegram, recorded all events, and Radio Station WMRC broadcasted many of the celebrations for all to enjoy.

There were several souvenirs available during the year. Among which were 500 blue and white bicentennial plates, a bronze commemorative medal was minted with the Town Hall on its face and a graphic design depicting the town's present and past industries on the back, and baseball in the center. Smaller souvenirs were a "Happy Birthday" license plate designed by Robin Philbin, bicentennial calendar, pins, leather boot key chains made by Milford Shoe, T shirts, and several maps and booklets.

Members of the Bicentennial Commission were: James J. Buckley, Jr., Saul Kraft, Co-Chairman, Patricia Genoa, Secretary, Harold Murphy, Treasurer, Peter Concannon, Elaine McNanna, Mr. and Mrs. Anthony Brenna, Dolores Doura, Donald DeLorme, Ruth O'Connor, Virginia Stoddard, Catherine Bavosi, Mrs. Richard Duffy, and Atty. Arlen Johnson.

Report of the Capital Planning Committee

To the Honorable Board of Selectmen and the
Citizens of Milford:
The Capital Planning Committee respectfully submits
this report for the fiscal year ending June 30, 1980.

CAPITAL PLANNING COMMITTEE		
Appropriation		\$200.00
Expenditures:		
Rose Mary Natelson	30.00	
Beth V. Jones	30.00	
Postage	4.75	
Total Expenditures		\$ 64.75
Balance		\$135.25

The Capital Planning Committee recommends the
following for favorable action at this year's annual or
special town meeting:

1. Purchase of new truck for the Highway Department.	\$ 48,000
2. New diesel motor for Fire Department ladder truck.	11,000
3. New chasis for brush fire truck.	30,000
4. Updating of pumps at the Birch St. Pumping Station.	25,000
5. Construction of new forced main from Birch St. to E. Main St.	100,000
6. Value engineering study for sewage treatment plant and completion of in- filtration study.	100,000
7. Repair of dam at Cedar Swamp Pond.	15,000
8. Drawing of plans and appraisal of pro- perties with regard to Industrial Ac- cess Road from Route 109 to Beaver St.	4,500

- Purchase of land along old Penn Cen-
tral Railroad bed from Hayward St. to
Central St. 74,000
- The Highway Department desires to purchase a new
truck with sander and plow to replace a 1964 FWD.
- The Fire Department desires to replace the
Wawkesha engine in the ladder truck which has been
giving them trouble with a new diesel engine. This
should extend the useful life of the apparatus by 15
years.
- A new chasis for the brush fire truck to replace a
1957 International is requested because parts are not
readily available requiring the present truck to be out
of service for long periods of time when repair was
needed.
- Renovate and modify the Birch St. Pumping Station
to increase capacity which could allow a sewer con-
nection tie-in for the proposed 100 room motel on
Beaver St.
- Construct new forced main sewerline from Birch St.
Pumping Station to just beyond the junction of
Routes 109 and 16. This sewerline modification, in
addition to providing for the motel, would also allow
new industry tie-ins. Application for 40% reimburse-
ment to be submitted.
- Value engineering study for new treatment plant and
completion of infiltration study to comply with EPA
requirements for completion of Step #2 planning. This
cost is 90% refundable.
- An inspection conducted in July 1978 under the Na-
tional Dam Inspection Program indicated the Cedar
Swamp Pond Dam (located at the foot bridge) to be in
need of repair. This would be the base for an ongoing
maintenance program on the dam.
- Layout, appraisal and preliminary design plans for
proposed access road from Route 109 to Beaver St.
to improve access to Waters Associates and other in-
dustrial property in that area.
- The purchase and control of certain parcels of land
within the Penn Central right of way now owned by
Joseph F. Buscone, Rena Delprivo and the Sacred
Heart Parish. These parcels must be acquired now by
the Town if the alternate east-west by-pass is to
someday become a reality.

Total costs for the above projects came to \$407,500. It
is recommended that the Sewer Department projects be
funded by a bond issue. The remainder is to be raised
through taxation. If all the reimbursements applied for are
granted, the net cost to the Town will be \$277,500.

Respectfully submitted,
Joseph B. Vitalini, Chairman
Domenic D'Alessandro,
Vice Chairman
Anthony Rando

CEDAR SWAMP COMMISSION REPORT

To the Honorable Board of Selectmen and the Citizens of Milford:

The Cedar Swamp Commission respectfully submits this report for the fiscal year ending June 30, 1980.

Cedar Swamp Appropriation	\$1,500.00	
Steven Oldfield	<u>1,440.00</u>	
Balance		\$60.00

The above money appropriated was used for the cutting of grass, the cutting of brush from the east side of channel, and raking leaves and pruning trees.

Achille E. Diotalevi
Chairman,
Cedar Swamp Committee

Report of the Town Clerk

Following the policy established in fiscal 1979 by your Board the Town Clerk's Report will contain only the necessary information needed for reference and research by other departments and the general public. Submitted for inclusion, therefore, will be the financial report of the Town Clerk's and the Elections, Registrations and Town Meetings Departments and a record of all Elections and Town Meetings held during fiscal 1980.

Also, in keeping with your request there follows herewith a brief outline of the many and varied duties of a Town Clerk:

Record keeping of all births, deaths, marriages, marriage intentions, planning and zoning records and all filings under the Commercial Code System; Issuance of Dog Licenses, Fish & Game Licenses, Business Certificates, Certificates of Registrations and Raffle Permits; Also, Street Listing, Registration of Voters, Nomination Papers and all work involved in the preparation of Voting lists, Elections and Town Meetings.

For their able assistance in carrying out the above duties, public acknowledgement deservedly belongs to the Town Clerk's staff namely: Asst. Town Clerk Anna M. Beyer, Departmental Clerk, Janice Consoletti and Clerk-Typists, Celia Marengi and Marion Sweeney, whom I sincerely thank.

At this time I would also like to thank the members of your Board and all other departments for their help and cooperation during the year.

Respectfully submitted,

Katherine E. Cullinan
Town Clerk

Conservation Commission

GENERAL EXPENSES

To the Honorable Board of Selectmen
and the Citizens of Milford:

During the fiscal year, the Conservation Commission held twelve public hearings, sent out two Cease and Desists, ten Certificates of Compliance, two Determinations, and went on 29 On-Site Inspections. Again, Robert DePaolo, Louis Espanet and Ken Nigro were most diligent in being present for those inspections.

Verna Cahill attended two conservation related seminars; one at Tufts University and one at Holy Cross College.

A Tri-Town Committee, consisting of Hopkinton, Milford and Upton, has been formed concerning the management and control of the North Pond Dam and the water rights. The Conservation Commission is not the official keeper of all records, past and present, concerning North Pond Dam and the Mill River. Kenneth Nigro has been designated Chairman of this board.

ANNUAL PROGRAMS

Seedling Sale: Ken Nigro was responsible for this program. It was a success, seedlings were sold out within one hour.

Trout Derby: Since Louisa Lake was drained out at the time, due to the construction of a new dam, it was decided to hold our annual trout derby in Milford Pond. Mr. Louis Espanet handled all the details and was on and to judge the winners. He also supplied bait and good fishing tips to the young fry. Due to Mr. Espanet's enthusiasm, hard work, and expertise, the derby has become a popular tradition.

Flowering Crab Trees: Since Congress Street was reconstructed, many valuable street trees had to be taken down. The Commission selected Congress Street for their tree planting. Mr. Graziano offered to have his Department plant the trees to replace those that had to be removed.

Award: This year's award went to Mr. Tagliente of Burger King for the design and construction of this restaurant which enhanced an existing brook rather than covering the stream - Proving that Commerce and Ecology can work together advantageously.

Camp Sponsor: We selected the best writer of a contest on Conservation and sponsored the winner to two weeks at the State Conservation Camp.

Town Meeting Members have given our Commission jurisdiction over the Town Forest located off Dilla Street. The Commission appointed Nello Allegrezza and Associate Members Arthur Haley and Jeff Lovell as a newly-formed committee to handle this area for the future in ecological management and recreational enjoyment to our citizens.

Respectfully submitted,

Milford Council On Aging

To the Honorable Board of Selectmen and the Citizens of the Town of Milford:

The members of the Council on Aging during the year 1980 were as follows: Adam Diorio, Chairman; Sophie Salvia, Vice Chairman; Catherine Curtin, Treasurer; Emma Barry, Secretary; also Mary Goddard, Rita Mawn, Mary Curran, Joan Bagaglio, Dorothy Smethurst, Inez Stevenson, Martha Federici, Mae Doherty, Edward Rizoli and John Coronato.

The Council met monthly during the entire year, meeting on the second Tuesday of each month, at 10 a.m., at the Senior Citizen Multi-purpose center, continuing in an advisory and supportive capacity to our Activity Coordinator to the Elderly, Louise DeManche.

I am pleased to report that the Milford Council on Aging, through the combined efforts of all its members, have provided weekly bingo parties, Arts and Crafts classes, exercise classes, activities day for men, blood pressure clinic, diabetes clinics, and glaucoma clinics, as well as other health programs. Also weekly shopping bus, numerous day trips, and also over-night trips, plus bowling, para-legal service and also dental clinics, and the Vial of Life program.

I am also pleased to report, that after many years of trying by members and others, I was finally able to acquire a Massachusetts meal tax exempt for the senior citizens, when going on trips or dining out in large groups.

Various Council members also attend many meetings, such as, Blackstone Valley Elder Consortium, Legislative Committee Meetings, Central Massachusetts Association of Councils of Aging (CMACA; , Region II Area Agency on Aging, and also workshops of various kinds.

We are also pleased to report that Adam Diorio, our Chairman, has been elected to the Silver-Haired Legislature, and will represent the Towns of Milford, Upton and Medway, on Senior Citizen Legislation.

The Mini-bus has been responsible for increasing shopping, center and nutrition transportation, and also medical transportation.

Concentrated efforts of acquiring a new Senior Citizen Multi-Purpose Center is our major goal. Hopefully it will be a reality in the very near future.

We wish to thank the Honorable Board of Selectmen, and other town departments for their cooperation during the fiscal year ending June 30, 1980.

Respectfully submitted,

Emma F. Barry, Secretary

Adam Diorio, Chairman

Report of the Town Engineer

To the Honorable Board of Selectmen and the Citizens of Milford:

During the past year this office has participated in several projects for various Departments.

The Board of Health's new transfer facility on Cedar Street is near completion. This office assisted the project by laying out the construction and supervising the work. Only a small attendant's building is left to be installed as this facility will then essentially be completed. Also, as assistant agent to the Board, percolation tests on 44 lots were observed. A total of 34 septic system permits were issued and constructed this year.

As consultants to the Conservation Commission we attended about 24 meetings and prepared over 18 Orders of Conditions. One significant project concerning wetlands is the new Milford-Whitinsville Regional Hospital addition. A large retention pond was constructed on a tributary stream to the Godfrey Brook. This new pond will have a significant impact on Godfrey Brook downstream.

As consultant to the Planning Board we attended meetings and performed numerous inspections on the following active subdivisions:

Madden Avenue Extension	650 feet
Briar Drive	700 feet
Tanglewood Drive	600 feet
Reservoir Street, drainage	300 feet
Valorie Estates, Nicholas Road	600 feet
Salvia Road and Ragal Road	800 feet
Sunset Drive, repairs	
Larson Road and Lantern Lane	
Lucia Drive and Claridge Circle	
Completion and corrective work on Ridgewood Sub-division by Andrew J. Lane	

Also for the Board, we assisted the Legal Department on the Rocky Woods I subdivision court case. Work on repairs are now underway and it is hoped this will be completed before June 30, 1980.

For the Parks Department, two new ballfields were planned and graded. One is located at Rosenfeld Park and the other at Depot and Vernon Streets.

In the coming year, plans and specifications will be prepared for \$15,000 worth of maintenance work on the Cedar Swamp Pond Dam. We are prepared to assist the Planning Assistant to apply for a grant to restore the Town Park.

Flood Hazard and Boundary Maps will soon be prepared by the Flood Insurance Administration (FIA). The Federal Emergency Management Authority (FEMA), division of FIA, will probably hold a Public Hearing in December as an information and notification meeting. These maps have long been awaited and will help speed the review of plans for developments near Milford's flood prone areas. Also, for future drainage planning and development, storm runoff rates will be given in the supplemental report.

Two plans for drainage projects on Assylum Street and Congress Street were prepared last year for the Highway Department. In the coming year, this office will be working with the Highway Surveyor to assemble a drainage study in Milford to evaluate the various recurring complaints concerning flooding and poor drainage.

This department has been in existence since 1971. I have been in this position for four (4) years now, and it is difficult not to compare Milford's Engineering Department with other communities for staff and work loads. I hope the future will allow for growth in this department commensurate with the responsibilities imposed by growth in the community. I believe the engineering and consulting services needed by various departments should allow for planned expansion of the Town Engineering Office and staff.

I would like to express my appreciation to the Board of Selectmen, the Planning Board, and the Conservation Commission as well as all other department heads and the citizens of the Town for the support extended to this office.

Respectfully submitted,
John Paul Parmentier
Town Engineer

Report of the Historical Commission

To the Honorable Board of Selectmen and the Citizens of Milford:

The Historical Commission respectfully submits this report for the fiscal year ending June 30, 1980.

BOOK BUDGET 1980

Appropriated	\$9,800.
Expenses:	
Marguerite Hayes, Typist	\$ 200.00
P. Marie Colavita, Editor	600.00
Morin's Studio	987.00

Total	\$9,787.04
Balance	\$ 12.96

Reimbursement to the town in June	\$6,500.00
Balance due	\$1,500.00

The highlight of our year 1980 was the publication of "The History of Milford" that was dedicated this May. This was the result of 4 years of research and study by the Commission and it was a joy to print. The book has been a source of enjoyment to many Milfordians and will be a lasting history for future generations. It was a labor of love for many of us but we reaped a harvest of happiness. There were 500 hardbound copies and 750 softbound. We now have 7 hardbound copies left and 250 softbound. We are presently going to return \$1,000 more to the town thereby only having \$500 left on the account we promised to pay back.

Respectively submitted by
Robert Andreola,
Chairman

Report of the Planning Assistant

To the Honorable Board of Selectmen and the Citizens of Milford:

Herewith, I submit the report of the Planning Assistant for the fiscal year of 1979-1980.

During the past year this office has worked on a wide number of new programs that have successfully been integrated into the Town's existing network of planning policies which assist the Town in orderly growth and development.

Through my efforts the Town was awarded a \$300,00 grant from the Department of Housing and urban Development as part of a Community Development Block Grant. this funding is being used for a Home Rehabilitation Program, run out of the second floor of the Town Hall. Through the program and at no cost to the Town a Community Development Coordinator, Louis M. Malerba and a Housing Rehabilitation Specialist, Alexander Innamorati have been hired to assist homeowners in the Target Area in rehabilitating and renovating their homes through direct grants and very low interest loans. The program is run from a newly renovated portion of the Town Hall (also funded from the HUD grant), and hopes to renovate 55 homes in Milford.

Working jointly with the Town engineer and the Town Counsel, and for the Board of Selectmen and the Redevelopment Authority, an Urban Renewal Plan for the new Industrial Park on Maple and Beaver Streets was drafted. This plan enabled the Town of Milford to acquire and make accessible for industrial development over 100 acres of land. this effort was designed to capture some of the renewed industrial growth along Route 495 and to provide jobs in Milford and a more broadened tax base.

In September, the office of Planning and Engineering prepared for the Selectmen and the Parks Department an application for \$125,000 from the Federal Land and Water Conservation Fund to restore the Town Park. This office successfully applied for and has recieved \$12,000 from the Executive Office of Communities and Development as part of an Urban Renewal Planning Grant to study parking, circulation, and urban design problems in downtown Milford.

In part through the efforts of this office, a Commercial Area Revitalization District (CARD) was formulated for the downtown shopping area and one for the Milford Plaza/K-Mart shopping area. Commercial firms in approved

CARD's are eligible for important financial incentives (tax exempt revenue bond financing, mortgage insurance, and state tax credits).

As a consultant to the Planning Board and Conservation Commission, I attend all their meetings and provide professional assistance to them concerning subdivision, zoning, commercial and industrial development, housing, flooding, wetlands, and conservation issues. In addition the Office of Planning provides assistance to many other boards and Departments in Milford that have not been previously mentioned, including: the Housing Authority, Industrial Development Commission, Chamber of Commerce, Parks Commission, Highway Department, Growth Policy Committee, Historical Commission, and the Library Building Committee. Notwithstanding the range of this office's capabilities and concerns we remain open and available to all residents regarding any planning concerns in the town.

Report of the Planning Board

To the Honorable Board of Selectmen and the Citizens of Milford:

Many complex and demanding matters were processed by the Planning Board during Fiscal Year 1980. Many additional special meetings were necessary to fulfill Planning Board obligations.

The board participated actively in procedures to establish two Commercial Area Revitalization Districts and in the creation of an Industrial Park.

Final resolution of problems in the Ridgewood subdivision were resolved with developer Andrew Lane.

The board approved Woodcrest II, an eight lot subdivision of James Nogueira, and rescinded three unconstructed and outmoded subdivisions consisting of 177 lots.

The Planning Board looks forward to continuing cooperation with other town boards to encourage commercial and industrial expansion in Milford.

Report of the Redevelopment Authority

To the Honorable Board of Selectmen and the Citizens of Milford:

It is my pleasure to submit a report of the activities and recommendations of the Redevelopment Authority.

In early April, 1980, the Milford Redevelopment Authority, the Board of Selectmen, Planning Board and Sewer Committee began to develop plans for an Industrial Park for the Town of Milford.

On May 28, 1980, with a special meeting was called by the Milford Board of Selectmen, with the Milford Redevelopment Authority, Planning Board and the Sewer Commission to discuss a Card Plan for Milford. The two areas developed were: Route 85, Cedar Street area, and the downtown section of Milford.

At this meeting, the Industrial Park concept began to come to life.

The project became known as the Land Assembly/Redevelopment Project, pursuant to Massachusetts General Laws Ch. 121B. The project area is located in the Bear Hill section of town.

Two public hearings were held in early June, 1980. After evaluating all input for results of the area, the Board of Selectmen met and voted in favor of the Industrial Park, and the Planning Board approved a needed zoning change.

On June 25, 1980, the proposal as brought to a Special Town Meeting. Three articles in the warrant sponsored by the Milford Redevelopment Authority: (1) Article 8 for rezoning of the area for industrial use; (2) Article 9 to appropriate \$225,000.00 for the development acquisition and land clearance construction and (3) Article 10 to appropriate \$11,000.00 for surveying and engineering, \$10,000.00 for drainage and \$175,000.00 for reconstruction of Maple Street, for a total of \$421,000.00.

After considerable discussion by the town meeting body, the proposal was passed. In July, 1980, the Redevelopment Board met and discussed the Card Plan for Route 85, Cedar Street, and the downtown area. We also discussed a parking survey and detailed market study of the resources in the downtown area.

In July, the Redevelopment Authority authorized Guerriere & Halnon, Inc. for the service of Surveyors and Engineers for purpose of preparing necessary land acquisition plans and descriptions in relation to its Land Assembly/Redevelopment Plan.

In September, 1980, a special meeting was called between the Industrial Commission and the Milford Redevelopment Authority to discuss the proposed Industrial Park. Also in September, the Redevelopment Authority received confirmation from the Attorney General's Office for the rezoning of the Industrial Park.

Respectfully submitted,
Leonard A. Izzo
Secretary

We would like to say thank you to all who were involved in helping to make the Industrial Park a reality.

Report of the Superintendent of Schools

To the Honorable Board of Selectmen and the Citizens of Milford:

The 1979-80 school year saw the end of the school construction projects, upon the completion of the Brookside Elementary School. It was officially made part of the school system in October 1979. At the same ceremony, the gymnasium was dedicated to the memory of the late Mr. Angelo Minichiello, who had been involved in the planning and implementation of youth-oriented activities for many years.

As important, was the dedication of the Media Center in memory of the late Atty. Edward Patrick Doherty, a young dynamic force for good, who had been a most illustrious Town Counsel, School Committeeman and humanitarian.

With the dedication of the building and the two areas, the Brookside School began and completed a very successful school year filled with a number of educationally significant and enjoyable activities.

The renovation of the former St. Mary's Jr.-Sr. High School (also known as Central Elementary School from 1974 through 1979) into a second middle school, called Middle School East, took longer than expected, but the work was substantially completed in time for the first day of School, September 3, 1980. With the addition of this building the majority of the grossly inadequate classroom facilities at the 66 School Street building were vacated and the teaching staff began to enjoy surroundings more conducive to the learning process.

The entire school system participated in the townwide observances of Milford's Bicentennial. The elementary schools however, were especially active, developing and presenting a myriad of activities throughout the Spring.

With the announcement of his retirement as principal of Milford High School, Mr. Paul Raftery concluded a lengthy administrative association with the school system, beginning with his appointment to the position of principal of Stacy School in 1943. Thus he served faithfully and well for over 37 years as an administrator whose main concern was the welfare and education of the children under his charge. This was an enviable and praiseworthy accomplishment which few have or will match.

Among the curricula and instructional activities during the school year, were the development of a Gifted and Talented Program, the planning and implementation of a Basic Skills Program, the continuance of significant field trips, including one to Spruce Mountain in Maine, and the U. N. tour for Middle School children, plus the consolidation of and refinement of many programs and projects which were introduced in past years.

At the high school, the Social Studies curriculum was extensively revised and the study hall system was re-introduced for all Freshmen and Sophomores, and for those Juniors and Seniors who do not attain a 80% or 75% quarterly average respectively. Additionally, through the efforts of the Central Office and High School Administrators, and the cooperation of our State Represen-

tative and Senator, (after a two month struggle) a special bill was passed which favored an Occupational Educational time exemption for Milford High School.

The past year has been busier than the last, filled with problems and situations which required the members of the seven-member School Committee to spend an inordinate amount of time and effort. They deserve, both individually and collectively, the thanks of all of us for their selfless devotion to the needs of the children of Milford throughout 1979-80.

Respectfully submitted,
Dr. James J. Buckley, Jr.
Superintendent of Schools

Report of the Milford Community School Use Program

To the Honorable Board of Selectmen and the Citizens of
Milford:

The following is the report of the Milford Community
School Use Program for the period July 1, 1979 - June 30,
1980.

Our objectives this past year were twofold. Firstly, we
ought to provide the best educational, recreational, and
cultural activities for our residents. Secondly, we tried to
operate as many programs as possible on a self-sufficient
basis, therefore providing more programs at less cost. Ad-
ditionally, our Adult Education Program was self-
sufficient. Highlights of the past year included our
Physically Handicapped Program and the initiation of the
Biddy Basketball League.

I would like to extend my appreciation to the School
Committee, the Superintendent of Schools, the Milford
School System, and the many other town boards and agen-
cies for their continued support and cooperation.

Finally, I would especially like to thank and commend
the eighteen member Community Use Committee for their
tireless efforts in seeking to provide a comprehensive pro-
gram for our residents.

Respectfully submitted,
Louis J. Celozzi
Director

In compliance with the provision of M.G.L. Chapter 98,
Section 41, as amended, I notified all persons that scales,
pumps and measuring devices for the purpose of buying and
selling goods are to be tested, adjusted, and, if need be,
sealed. I then inspected all places of business in the Town of
Milford.

Sealing fees are turned over to the Town Treasurer.

I wish to thank the Honorable Board of Selectmen and the
public for their cooperation during the past year.

Respectfully submitted,

Report of the Sewer Commissioners

To the Honorable Board of Selectmen and the Citizens of Milford:

The Board of Sewer Commissioners respectfully submits this report on the Milford Sewer System for the fiscal year ending June 30, 1980:

COLLECTING SYSTEM

Routine maintenance was performed on the street sewers and service connections as required and in response to service calls.

Permits for 40 service connections were issued, which brings the total number of service connections to 4,685.

An extension of the street sewers was completed by private development on Harding Street.

The total length of street sewers is now approximately 49.35 miles.

Funds have been appropriated to replace a deteriorated section of sewer in Congress Street which has caused settling of the roadway.

Some additional television inspection of sewers was performed this spring in the continuing program to find broken and leaking pipe in the sewer system. This work will be reimbursed through a Federal and State grant at the rate of 90%.

PUMPING STATIONS AND FORCE MAINS

In addition to routine operation and maintenance of pumping stations, funds have been appropriated to replace the pumping equipment at the Birch Street Pumping Station to increase the total capacity and reliability of the station in anticipation of increased growth in the station's service area.

The station's force main will also be extended past the East Main Street Pumping Station to reduce overall pumping costs and conserve energy.

SEWAGE TREATMENT PLANT

Periodic analyses were made throughout the year on the treatment plant flow, BOD of the influent and effluent, suspended solids, temperature, chlorine residual and total coliform. Summaries of the analyses were submitted to the U.S. E.P.A. in conformance with the discharge permit requirements.

Monthly average flows and effluent BOD were as follows:

Month 1979	Flow Ave. M.G.D.	Plant Effluent B.O.D. mg/l	Month 1980	Flow Ave. M.G.D.	Plant Effluent B.O.D. mg/l
July	1.76	24	Jan.	1.98	25
Aug.	2.05	30	Feb.	1.67	31
Sept.	1.81	19	Mar.	3.29	29
Oct.	2.41	24	Apr.	4.24	21
Nov.	2.92	18	May	2.86	N.A.
Dec.	2.28	21	June	1.83	N.A.

Yearly Average Flow = 2.43. M.G.D.

Yearly Average BOD = 24 mg/l

Competitive bids were advertised and received for treatment plant supplies including chlorine, ferric chloride, lime and fuel oil; for F.Y. 1980 - 81.

A grant to design the additions and improvements to the treatment plant has been awarded by the U.S. Environmental Protection Agency and the Mass. Div. of Water Pollution Control. The grant will reimburse 90% of the cost of the facility design.

Design of the project has begun and construction of the new facility is expected to start in early 1982.

Respectfully submitted,
Joseph L. DeLuca, Chairman

Report of the Veterans Service Department

To the Honorable Board of Selectmen and the Citizens of Milford:

The Veteran's Services Department submits the following report for the fiscal year ending June 30, 1980.

INTRODUCTION

The Veterans Service Department is designed to provide and to assist veterans and their dependents in applying for Federal, State and Community Benefits to which they are entitled, based on the veteran's service in the United States Armed Forces.

The task of carrying out these benefits is vast in scope reaching the lives and affecting the welfare of approximately 80% of the population of the Town of Milford.

In order to carry out humanitarian services to our deserving claimants, we require the full cooperation of individuals, various agencies and town, state and federal officials to solve the problems in the field of veteran's benefits.

Our veterans benefits program in our community is administered with pride, being staffed with qualified and expert personnel.

The processing of applications in behalf of our people has given the Veterans' Services the privilege to obtain federal monies that have grown to an amount that reflects in the economy and prosperity of the Town of Milford.

HIGHLIGHTS OF VA FEDERAL BENEFITS

All laws relative to Veterans' Benefits administered by the Veterans Administration have been codified and enacted as Title 38, of the United States Code.

Compensation for Service-connected Disabilities

Payable to veterans for disabilities resulting from an injury or disease incurred or aggravated in the line of duty.

Pensions, Non-service Connected Disability

Monetary benefits payable to veterans of World War I, II, Korean Conflict and Vietnam Era, who meet the service and disability requirements and who are determined under the applicable law to be in NEED of the benefit.

Educational Benefits

Was created for the purpose of encouraging and making it attractive to serve in the armed forces of the United States. Deadline is ten years after date of discharge from active duty.

Vocational Rehabilitation

Educational and vocational training to restore employability in our service-connected disabled veteran.

Medical and Hospital Care

Within the limits of VA Facilities, medical and hospital care can be furnished to veterans. Service-connected disabled may be furnished out-patient care for established service-connected conditions.

Drug and Alcohol Abuse

The Veterans Administration has accelerated efforts to provide medical care for drug and alcoholic abuse.

VA Insurance

Veterans were given the opportunity to retain and convert their insurance from World War II, through the present Vietnam Era. All records are under the jurisdiction of VA Insurance Center, Philadelphia, Pennsylvania.

VA Loans

All veterans with service from September 16, 1940 to the present time are eligible for home loans. At the present time, it is very difficult to obtain loans from our local lenders because of the variation of interest for VA Guaranteed Loans and Conventional Loans.

Miscellaneous Benefits

Automobile and other conveyances to certain service-connected disabled veterans.

Specially adapted housing to certain service-connected disabled veterans.

Commissary store privileges to certain service-connected disabled veterans.

Burials

Authorized to pay undertaker, or person who incurred burial expense, a sum of \$300.00 for burial allowance, \$150.00 plot interment allowance. \$1,100 is paid for service-connected deaths for service-connected disabled veterans, or wartime veterans. Also, military markers are available.

Compensation for Service-connected Deaths

Authorized payments for widow, unmarried children under 18 and prior to 23 years of age, if attending a VA approved school, or servicemen, or veterans whose deaths were due to disease or injury caused by military service.

Pensions for Non-service Connected Deaths

Monetary benefits to the widow, or children of a veteran of wartime service who dies of a non-service cause, when certain conditions are met and determined to be in need.

Educational Assistance to Children and Widows

Monthly allowance to assist children and widows and wives of 100% service-connected disabled veterans, or deceased veterans who died as a result of injury or disease incurred in service, for pursuit of an education.

HIGHLIGHTS OF STATE VETERANS BENEFITS

Veterans Assistance

Under Chapter 115 of the General Laws of the Commonwealth of Massachusetts as amended, provides funds for shelter, food, clothing and other necessities of life and medical care in certain cases.

Bonus

A payment of \$200 or \$300 to veterans who entered wartime service from any city or town in the Commonwealth of Massachusetts.

Real Estate Tax Exemption

A reduction of taxes to certain veterans who are service-connected disabled and holders of Purple Heart.

Educational Allowance of Children

Annual allowance to children whose parent died of disease or injury in service. Veterans must have entered service from the Commonwealth of Massachusetts.

Annuity

Yearly allowance to veterans living in Massachusetts with loss of vision in both eyes, spinal cord injury, loss of use of hand or foot due to service. Grant is \$500.

Other Benefits

- Veterans Preference
- Employment rights
- Free tuition

Care of Soldiers and Sailors Graves

Each community is responsible to properly maintain and decorate soldiers and sailors graves.

ACKNOWLEDGEMENT

As the years pass by and upon entering a new decade, it is extremely difficult to compile an Annual Report that will interest and alert our veterans and their dependents of all phases of Veterans' Benefits.

In striving to service our special and deserving people, our goals and objectives are only reached through the untiring efforts of our concerned and dedicated people in the field of veterans work.

Our thanks and appreciation to the following:

Board of Selectmen
Officers and members of Veterans' Organizations
Commissioner Charles N. Collatos and Staff
Director of the VA Regional Office and Staff
Directors of our VA Hospitals
And, to my efficient staff

By responsible and cooperative efforts we will continue to outreach for the good and welfare of our veterans and their dependents.

Respectfully submitted,
Anthony J. Mastroianni
Agent-Director

SPECIAL TOWN MEETING

October 10, 1979

Milford, Massachusetts

The elections scheduled for 7:15 P.M. in Precincts 1,3 & 4 were not held due to a lack of majority in each precinct.

The meeting was called to order by Moderator Michael J. Noferi at 7:30 P.M.

The monitors reported 104 persons present not a sufficient number to constitute a quorum.

Chairman of Selectmen Harris M. Tredeau addressed the members present and introduced Ralph Mastroianni of the architectural firm of Mastroianni & McQueen. Mr. Mastroianni gave a report and showed a slide presentation relative to the Town Hall Renovation Study. A final report will be made to the Board of Selectmen at a later date.

Moderator Noferi called for a second check of the precincts. The monitors reported 108 persons present not a sufficient number to constitute a quorum. It was then moved and seconded to adjourn until Wednesday, October 17th 1979 at 7:30 P.M. and it was so voted — voice vote unanimous. Adjourned at 8:10 P.M.

Article 7. To see if the Town will vote to amend the Zoning By-Law by amending the map entitled "Milford, Mass. - Zoning," referred to in Section 2.1.1 of the Zoning By-Law, which amendment will extend the existing Rural Residential (RC) Zoning District on the easterly side of East Main Street by rezoning from Highway Industrial (IB) to Rural Residential (RC) an area bounded on the west by the existing Rural Residential (RC) Zoning District, 510 feet; on the north by land now or formerly of Ozella, 345 feet and land now or formerly of Leisure Hour Realty Trust, 33 feet; on the east by the proposed new Zoning District line, 900 feet, through land now or formerly of Perrone; on the West, 135 feet and on the south, 130 feet by land now or formerly of Dias; the proposed extension of the Rural Residential (RC) District will involve 8.6 acres (more or less) of land, or take any other action in relation thereto.
(Mary L. Perrone)

Planning Board Chairman James D. Griffith presented the following report:

Public Hearing held on September 4, 1979 - Public Hearing Report-Perrone — Rezoning Request

The public hearing opened at 8:30 P.M. The Clerk read the notice as it appeared in the Milford Daily News. All five members of the Planning Board were present: Chairman James Griffith, Members Seena Heller, John Tessicini, Michael T. Parente, and Joseph Ciaramicoli. Sixteen interested individuals were also present.

Attorney Joseph Byrnes appeared before the board representing Mrs. Perrone. He explained that of the twenty acres owned by Mrs. Perrone, this request involves the rezoning of 8.6 acres from an industrial to a residential use. The purpose, he continued, was Mrs. Perrone's desire to deed out portions of the rezoned land for two house lots to her grandchildren, and a remaining portion to her son to enable him to extend his back lot 100 feet.

Mrs. Heller asked if any future plans existed to request rezoning of the remaining 11.4 acres. Mr. Byrnes replied there were no such plans. Mr. Parente asked if the remaining 11.4 acres were landlocked. Mr. Byrnes replied that the remaining acreage is currently landlocked. Mrs. Dias asked where the road would be placed and was informed it would be on the westerly side of the Dias property, and that if, and when, subdivision occurs, she would be notified as an abutter.

All parties having been heard, Mrs. Heller moved to close the public hearing and to give favorable recommendation to Town Meeting on the zoning proposal. Mr. Parente seconded. Four members voted in favor of the motion. Chairman Griffith opposed stating he felt the parties should consider rezoning the entire area, rather than placing their residences next to industrially zoned land. He had no objection, he stated, if town meeting felt differently.

James D. Griffith, Chairman
Seena Heller, Secretary
John B. Tessicini
Joseph A. Ciaramicoli
Michael T. Parente

Voted: That the Town amend the Milford Zoning By-Law by revising the Zoning Map, referred to in Section 2.1.1 as "Milford, Mass. - Zoning," by changing the existing "Rural Residential - RC" Zoning District on the easterly side of East Main Street by rezoning from "Highway Industrial - 1B" to "Rural Residential - RC" an area bounded on the west by the existing "Rural Residential - RC" Zoning District, 510 feet; on the north by land now or formerly of Leisure Hour Realty Trust, 33 feet; on the west 153 feet and on the north 165 feet by land now or formerly of the Leisure Hour Realty Trust; on the east by the proposed new zone line, 900 feet, through land now or formerly of Perrone; on the south, 450 feet, by land now or formerly of the Worcester Gas Light Company; on the west, 135 feet, and on the south, 130 feet, by land now or formerly of Dias; the extension of the "Rural Residential - RC" District involves 8.6 acres (more or less) of land.

Voice vote unanimous.

Article 18. To see if the Town will vote to accept the provisions of G. L. c. 48, Section 37A, entitled "Appointment of Members of Call Forces in Certain Towns to Regular or Permanent Force" as most recently amended by Chapter 435 of the Acts of 1979, which statute provides as follows: Any town which has not accepted chapter four hundred eighty-seven of the acts of nineteen hundred and thirteen and shall accept this section by vote of the town at a town meeting, and has a call or part call fire force which now is or may hereafter be subject to chapter thirty-one, may, on the recommendation of the appointing officer of the fire department, promote to membership in the regular or permanent full-time force, without civil service examination and without any probationary period of ser-

vice required under said chapter thirty-one and the rules made thereunder, any persons then in the call or part call fire force who have served as call men or part call men or substitute call men for three or more successive years, and who are certified to be competent physically for the duty by the town physician, if any, otherwise by a physician designated therefore by said appointing officer. Appointments from the call force to the regular or permanent force shall be made by the appointing officer upon certification by the personnel administrator from the list of members of the call force of firemen in accordance with the rules of the civil service commission, except that the basis of certification shall be the order of appointment to the call force, or, if not ascertainable, the order of the respective ratings of such members obtained in the examination upon which the list of eligibles for appointment to such call force was based. No person who has passed his fiftieth birthday shall be appointed from such a call force to such a regular or permanent force.

Or take any other action relative thereto. (Fire Chief)

It was moved and seconded that the Town vote to accept the provisions of G.L. c. 48, Section 36A, entitled "Appointment of Members of Call Forces in Certain Towns to Regular or Permanent Force" as most recently amended by Chapter 435 of the Acts of 1979, which statute provides as follows: Any town which has not accepted chapter four hundred and eighty-seven of the acts of nineteen hundred and thirteen and shall accept this section by vote of the town at a town meeting, and has a call or part call fire force which now is or may hereafter be subject to chapter thirty-one, may, on the recommendation of the appointing officer of the fire department, promote to membership in the regular or permanent full-time force, without civil service examination and without any probationary period of service required under said chapter thirty-one and the rules made thereunder, any persons then in the call or part call fire force who have served as call men or part call men or substitute call men for three or more successive years, and who are certified to be competent physically for the duty by the town physician, if any, otherwise by a physician designated therefore by said appointing officer. Appointments from the call force to the regular or permanent force shall be made by the appointing officer upon certification by the personnel administrator from the list of members of the call force of firemen, in accordance with the rules of the civil service commission, except that the basis of certification shall be the order of appointment to the call force, or, if not ascertainable, the order of the respective ratings of such members obtained in the examination upon which the list of eligibles for appointment to such call force was based. No person who has passed his fiftieth birthday shall be appointed from such a call force to such a regular or permanent force.

It was moved and seconded to pass over the article and it was so voted—voice vote unanimous.

Article 19. To see if the Town will vote to amend Article 20A of the General By-Laws of the Town of Milford, "Fire Regulation" by deleting therefrom Section 5 and inserting in place thereof the following new Sections 5, 6 & 7:

Section 5: It shall be unlawful to obstruct a fire hydrant by erection or maintenance of a fence, stone wall, hedge or other structure or object or to maintain same within four (4) feet of any fire hydrant, whether such hydrant is on public or private property or whether such hydrant is itself the property of the Town or of any other individual or entity, without first obtaining permission in writing from the Chief of the Fire Department.

Section 6: It shall be unlawful to turn a fire hydrant on or off or to turn any sprinkler valve or gate valve, whether said hydrant or valve is on property of the Town or any other entity or individual, without first obtaining permission in writing from the Chief of the Fire Department, provided however, such actions may be taken in emergency situations. Notice of such emergency actions must be given to the Fire Department within a reasonable period of time.

Section 7: Any person who shall violate any provisions of the Article may be punished by a fine not exceeding two hundred (\$200) dollars. (Fire Chief)

Article 20. To see if the Town will vote to petition the General Court for Special Legislation permitting the Milford 200th Birthday Celebration Committee to establish a revolving account which would exempt the receipts of said committee from the provisions of G. L. c. 44, Section 53, said Special Legislation to provide as follows:

SECTION 1. Notwithstanding the provisions of Section Fifty-Three of Chapter 44 of the General Laws, the Milford 200th Birthday Celebration Committee as created and empowered pursuant to vote on Article 11 of the April 19, 1977 Adjourned Town Meeting of the Town of Milford may establish in the Town Treasury a revolving fund which shall be kept separate and apart from all other monies by the Treasurer and in which shall be deposited the receipts received in connection with the activities of such committee. The principle and interest thereon shall be expended at the direction of such committee without further appropriation but only with written approval of the Selectmen and only for the purposes of said committee and provided further that the funds in said revolving fund shall not be used to employ or pay the salary of any employee. The Town Accountant shall submit annually a report of said revolving fund to the Selectmen. At such time as the Town Meeting of the Town of Milford shall vote to dissolve said committee, all funds remain in said revolving account shall be paid into the Town Treasury.

SECTION 2: This Act shall take effect upon its passage, or take any other action thereon.

(200th Birthday Celebration Committee)

RECOUNT OF VOTES CAST AT THE APRIL 7TH 1980 TOWN ELECTION FOR CONSTABLES IN ALL FIVE PRECINCTS

In compliance with the petition filed under the provisions of General Laws Chapter 54, Section 135 & 135A as amended, the Registrars of Voters of the Town of Milford, Massachusetts met this 25th of April A.D. 1980 in Upper Town Hall for the purpose of recounting the votes for Constables, all five precincts for the Town of Milford. The Warden was sworn in by the Town Clerk.

At 5:30 P.M. all interested persons went to the vault and observed where the ballots were kept. Patrolman Arthur Russo was with the Town Clerk while the ballots were being moved to upper Town Hall.

At 6:00 P.M. the Warden for the recount swore in the Assistant, the Tellers, and Tally Sheet Workers as election officials to serve at the recount.

All persons present were so identified by the candidates.

After all ballots were examined in the precincts we, the Registrars of Voters determined the following results:

Constables, 3 yrs.

ANNUAL TOWN MEETING

April 16, 1980

Milford, Massachusetts

COMMONWEALTH OF MASSACHUSETTS

The meeting was called to order in the Congregational Church, 4 Congress Street by Moderator Michael J. Noferi at 7:30 P.M.

The Monitors reported 161 persons present, a sufficient number to constitute a quorum.

The Town Clerk read the warrant and the officer's return thereon.

Radio Station WMRC was granted unanimous consent to broadcast the meeting.

Harry Pond, Chairman of the Trusees of the First Congregational Church addressed the meeting as follows:

The First Congregational Church is proud of its heritage and historical significance to the town of Milford.

It is an honor to have the town observe the opening of the town meeting in the first meetinghouse as a commemorative gesture in this bicentennial anniversary of the town's incorporation.

The many trials and differences confronting the early settlers wrought decisions that have echoed through the years and have been instrumental in the shaping of the town.

Then, as now, the needs and problems of the community were hammered out in the town meeting. This meetinghouse has remained as an ongoing reminder of the town's beginning.

The First Congregational Church of Milford welcomes this body.

Article 1. To hear and act upon reports of all Town Officers and Committees of said Town.

At this time Moderator Noferi called for reports and resolutions under Article 1.

Marie J. Parente, Chairperson of the Board of Selectmen addressed the meeting as follows:

Something very special is happening here tonight. We have been given the opportunity to relive our heritage. Two hundred years ago, the founders of this community held their first town meeting within these hallowed halls.

One can almost feel their presence.

The more one visits this religious and historic building, the more one can learn about Milford's people, Milford's history, Milford's people's love for God and community.

It appears to be fashionable and legal to attempt to separate Church and State. We know, don't we, that all the laws in the world cannot separate man's mind from his faith and belief in God whether he or she serves in Town Hall . . . the State House . . . or the White House.

With this thought in mind . . . let us conduct our town's financial affairs with the moral convictions set forth by our ancestors some two hundred years ago.

On behalf of the precinct members, officials, gathered here and the entire Town of Milford, our sincere gratitude to Rev. Phyllis Ingraham, the elders of the Church, the entire parish of the First Congregational Church, thank you for a memorable evening. Thank you for letting us become part of Milford's history . . . here . . . where it all began.

Marie J. Parente,
Chairman, Milford Board of
Selectmen
April 16, 1980

Chairperson Marie J. Parente addressed the meeting relative to this year's budget.

Leonard Lynch, Chairman of the Finance Committee also addressed the meeting.

Voted: To accept the reports and resolutions submitted under Article 1.

Voice vote unanimous.

Article 2. To see if the Town will vote to amend the wage and salary schedule of the Wage and Salary Administration Plan as recommended by the Personnel Board as follows:

Voice vote unanimous.

Question now came on the Town Treasurer salary under the above Article 3.

It was moved and seconded to see if the Town will vote to fix the salary of the Town Treasurer at eleven thousand five hundred dollars (\$11,500.00), as provided by Section 108, Chapter 41, of the General Laws.

It was moved the "previous question" and it was so voted—standing vote 146 in favor 17 opposed ($\frac{2}{3}$ vote). It was then

Voted: That the Town fix the salary of the Town Treasurer at eleven thousand five hundred dollars (\$11,500.00) as provided by Section 108, Chapter 41, of the General Laws.

Voice vote carried.

Leonard Lynch, Chairman of the Finance Committee was given unanimous consent to make necessary corrections in the Finance Committee report.

Article 4. To see if the Town will raise and appropriate such sum or sums of money as may be necessary to defray expenses for the financial year beginning July 1, 1980, or take any other action relative thereto.

It was moved and seconded that the Town Meeting receive the report of the Finance Committee and that the Moderator inquire if any voter wishes to consider any item separately: that if any voter so wishes he or she shall ask the Moderator to remove the item from the report and when this has been done, that the Town vote to raise and appropriate and transfer, where indicated in the report, the amounts recommended in the Finance Committee Report as amended and that the meeting shall then consider the items which have been removed from the report by taking up each item individually and it was so voted.

The Moderator then inquired if any voter wished to remove any item or items from the report.

The following Line items were removed from the report:

- Line Item 82.—Health-Departmental Expenses

SPECIAL TOWN MEETING

April 30, 1980 (Continued)

In keeping with the Town's 200th Birthday Celebration the Town Meeting Members were raided by the Milford Highlanders Brothers of the Brush and the Lady Bug Chapter of the Bicentennial Belles at the April 30, 1980 Special Town Meeting held at Milford High School. "This is a raid" Anthony J. Brenna said, posting a sign with those words on the front of Town Moderator Michael J. Noferi's lectern.

For twenty minutes Brenna and his dozen or more cohorts presented various people with appropriate gifts. The Finance Committee, for example was given a large rubber dollar bill and Dr. Carl J. DiGregorio of the School Committee was given a similar rubber dollar to stretch.

Moderator Noferi was given a water pistol to cool off hot heads and Planning Board members were given a seven-year vacation on an island paradise paid for by local builders. Selectmen Chairperson Marie J. Parente, who umpired a recent Brothers and Belles softball game was given a pair of dark glasses and white cane. Selectmen Harris M. Tredeau and John A. Beccia, Jr. were given one-way tickets to Ford's Theater in Washington, D.C. Brenna

said the bearded Tredeau looked like Abraham Lincoln and would be assassinated by Beccia playing the part of John Wilkes Booth. Veterans agent Anthony J. Mastroianni as given a draft card and Board of Assessors a big rubber eraser. "They don't make any mistakes" Brenna joked. Town Clerk Katherine E. Cullinan was given cotton balls to put in her ears. Chief John E. DePaolo was presented a miniature fire extinguisher and Police Chief John J. McGrath a pistol and town maps for his policemen to find streets. And so it went with the town being presented a bicentennial flag entrusted to Selectmen. Town Meeting Members, after a round of applause, unanimously voted to record the affair in the official minutes of the meeting.

The following members of the Brothers and Belles took part in the program, Anthony J. Brenna, Philip Twitchell, Anthony Gianetti, Anthony Brenna, Jr., James Scrima, Steve Bertone, Angelo Vecchiolla, Michael DeLuca, Robert Powers, Howard McGonnell and James Brundette. The Belles included Virginia J. Brenna, Betty Twitchell, Patricia Downey, Sophie Salvia, Rosamond Cooper, Florence Brackett, Barbara Vecchiolla and Mary Jane Bertone.

Veteran's Agent Anthony J. Mastroianni, Chairman of the WW2-Korean-Vietnam War Memorial Commission read the following letter from the Bicentennial Commission and also submitted the following report of the War Memorial Commission:

BICENTENNIAL COMMISSION

April 16, 1980

Anthony J. Mastroianni
Veteran's Affairs
Town Hall
Milford, Mass. 01757

Dear Anthony:

This is to advise you that the Bicentennial Commission has received permission from the owner of the Pink Granite Pit to use as much as we need during the bicentennial year.

At the last meeting the Bicentennial Commission unanimously voted to donate this granite to the Town of Milford for use in the proposed construction of monuments to veterans.

It was the opinion of the Commission that this would save the Town of Milford thousands of dollars on material needed for the monuments.

Please take this matter up at the next town meeting and notify us of the decision.

Sincerely,

Saul Kraft
Co-Chairman
Bicentennial Commission

REPORT OF THE WAR MEMORIAL COMMISSION

As previously reported at our Annual Town Meeting just ended, The War Memorial Commission wishes to acknowledge an offer submitted by the Bicentennial Commission of Milford who have donated the granite necessary in the proposed construction of a memorial for veterans of World War 2, Korean and Vietnam conflict.

This offer was made to the Bicentennial Commission by the Castellucci family, present owners of Milford Pink Granite Quarry, located in Milford.

The War Memorial Commission accepts this offer and trusts that within the deliberations of the Commission we may be able to encompass the use of this granite when final plans and specifications are presented to the Town of Milford this coming year.

Respectfully submitted,

War Memorial Commission
Anthony J. Mastroianni
Chairman

Mr. Ralph Mastroianni of the architectural firm of Mastroianni & McQueen gave a final report of the Town Hall Renovation Study. A slide presentation was also shown.

Planning Board Secretary Seena Heller presented the following report:

Public Hearing held on March 11, 1980 — Public Hearing Report — Manoogian — Rezoning of 13 Water Street.

The public hearing opened at 8:30 p.m. The clerk read the notice as it appeared in the Milford Daily News. All five members of the Planning Board were present: Chairman James Griffith, Members Seena Heller, John Tessicini, Michael Parente, and Joseph Ciaramicoli. Eleven interested individuals were also present.

Mr. Manoogian explained his proposal as a request to rezone the property at 13 Water Street from RA to RA1 to allow use as a professional building. Mr. Manoogian stated he planned no change to the outside structure, but did plan to landscape the property.

Mrs. Evelyn Paille of 11 Water Street spoke in favor of an upgrading of the property, but stated her concern for the number of parking spaces, requesting a reduction to eight or ten, because of the fumes produced. She noted the presence of parking lots already in the area and requested that a high fence screen be placed. Mrs. Heller informed Mrs. Paille that seventeen parking spaces are required by the Zoning By-Law and that the law also requires screening of residential properties from parking lots. Mrs. Heller also noted that should town meeting look favorably upon this proposal, it must then be submitted for site plan review and special permit request—both steps which encourage input from abutters. Mr. Tessicini noted that the number of parking spaces could be addressed, and perhaps reduced, through a special permit request. Mrs. Paille stated her concern for a possible increase in her taxes or negative impact on a future sale of her property. Mrs. Heller informed Mrs. Paille that her Zoning would remain the same and that sale of her property might be enhanced. Mrs. Paille asked if the lot would be for public parking and was informed it was to service only the professional tenants and their clients. Mr. Parente asked if Mr. Manoogian would chain the parking lot after business hours, and Mr. Manoogian replied that he would.

Attorney Joseph Gattoni, representing Mrs. Fitzgerald of 15 Water Street, stated his client's agreement with an upgrading of the property, but noted her concern for possible problems with litter and fumes. The Planning Assistant advised that the Zoning By-Law thoroughly considers and protects a residence next to a commercial use. Mrs. Fitzgerald informed of present problems she experiences with people blocking and parking in her driveway and stated her concern that the problem may become worse. A letter from the Police Chief was read into the record stating he did not foresee this proposal creating a problem with parking and moving traffic. Mrs. Heller noted that as of May 1st, the Telephone Service Department located on Water Street would be moving and this might relieve the problem somewhat. Attorney Gattoni asked if the tenants had been selected and Mr. Manoogian replied that they had not. Mrs. Heller asked if their properties were adequately protected, would the abutters be favorable to the proposal? Mrs. Fitzgerald declined comment, stating she would further review the proposal.

All parties having been heard, Mr. Tessicini moved to close the public hearing and take the matter under advisement. Mr. Parente 2nd. Unanimous vote of 5.

Following subsequent discussion, Mr. Parente moved to recommend favorable action to Town Meeting on this Zoning proposal. Mr. Tessicini seconded. Unanimous vote of five.

After considerable discussion, it was moved and seconded to pass over the article and it was so voted—voice vote carried.

It was moved and seconded to reconsider Article 15.

At this point in the meeting Moderator Noferi appointed Town Counsel Moody interim Moderator to preside over meeting while reconsideration of Article 15 was being discussed.

After a brief discussion the motion to reconsider Article 15 was defeated—voice vote carried.

Town Counsel Moody turned the meeting back to Moderator Noferi.

Article 25. To see if the Town will vote to amend Section 4 of said Article 15A of the General By-Laws by deleting therefrom the last sentence and inserting in place thereof the following:

The owner of any dog so impounded may reclaim and redeem such dog upon payment of all costs and charges incurred by the Town for impounding and maintaining such dog as provided by law, including a five dollar (\$5.00) impoundment fee for the initial handling of such dog, plus a two dollar (\$2.00) boarding fee for each day or portion thereof that the dog has been held and upon obtaining from the Town Clerk a license and tag as required by law for any such dog which is not properly licensed.
or take any action in relation thereto.

(Dog Study Committee)

Voted: To pass over the article—voice vote unanimous.

Article 26. To see if the Town will vote to amend Article 15A of the General By-Laws of the Town by adding a new sentence to Section 3 of said Article, as follows:

For purposes of this section, a "second offense" and "third and subsequent offenses" shall be determined based upon the twenty-four (24) month period preceding the particular offense at issue.
or take any other action in relation thereto.

(Dog Study Committee)

Voted: To pass over the article—voice vote unanimous.

Article 27. To see if the Town will vote to transfer the remaining balances in the Aquatic Weed Control Account and the Capital Planning Commission Accounts, which accounts were established by vote under Article 4, Line Items numbered 171 and 154, respectively, at the April 18, 1979 Annual Town Meeting, to the Finance Committee Reserve Fund as voted under said Article 4, Line Item number 156, or take any other action in relation thereto.

(Finance Committee)

Voted: To transfer the remaining balance (\$2,500.) in the Aquatic Weed Control Account, which account was established by vote under Article 4, Line Item number 171 at the April 18, 1979 Annual Town Meeting, to the Finance Committee Reserve Fund as voted under said Article 4, Line Item number 156.

Voice vote unanimous.

Article 28. To see if the Town will vote to transfer a sum of money from available funds, which sum is to be added to the Finance Committee Reserve Fund as voted under Article 4, Line Item number 156 at the April 18, 1979 Annual Town Meeting, or take any other action in relation thereto.

(Finance Committee)

Voted: To transfer the sum of \$10,000 from the Excess and Deficiency Account, which sum is to be added to the Finance Committee Reserve Fund, as voted under Article 4, Line Item Number 156 at the April 18, 1979 Annual Town Meeting.

Voice vote unanimous.

Article 29. To see if the Town will vote to require the Board of Selectmen of the Town of Milford to remove all parking meters from the public ways and municipal parking lots within the Town of Milford and to delete Sections 4 and 5 from the Traffic Rules and Orders of the Town, or take any other action in relation thereto.

(Gordon O. Loukes)

It was moved and seconded that the Town vote to require the Board of Selectmen of the Town of Milford to remove all parking meters from the public ways and municipal parking lots within the Town of Milford and to delete Section 4 and 5 from the Traffic Rules and Orders of the Town.

It was moved and seconded to amend the motion by adding "Art. V" before Sections 4 and 5 and it was so voted—voice vote unanimous.

A motion to amend the motion by deleting the words "the public ways" and adding "also require the Board of Selectmen to raise the parking meter charges for existing meters to 25¢ per ½ hour" was ruled "out of order" by the Moderator.

It was then moved the "previous question" and it was so voted. Standing vote 118 in favor—2 opposed. (2/3).

Action now came on the motion as amended — Defeated—voice vote carried.

Article 30. To see if the Town will vote to raise and appropriate, or transfer from available funds, the sum of \$6,000.00, said sum to be added to the sum of \$4,000.00 as appropriated under Article 30 of the April 24, 1978 Adjourned Town Meeting, to be expended by the Board of Selectmen for the purpose of procuring on sight technical assistance to meet specific needs or resolve identified problems in the Police Department by providing help with program implementation rather than merely recommendation, or take any other action in relation thereto.

(Board of Selectmen)

Voted: To transfer from the Excess and Deficiency Account the sum of \$6,000.00, said sum to be added to the sum of \$4,000.00 as appropriated under Article 30 of the April 24, 1978 Adjourned Town Meeting, to be expended by the Board of Selectmen for the purpose of procuring on sight technical assistance to meet specific needs or resolve identified problems in the Police Department by providing help with program implementation rather than merely recommendations.

Voice vote carried.

Article 31. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$934.11, said sum to be spent under the jurisdiction of the Board of Assessors for the purpose of reimbursing Paul F. Bruno for three weeks of vacation time, or take any other action in relation thereto.

(Board of Assessors)

Voted: To transfer from the Excess and Deficiency Account the sum of \$934.11, said sum to be spent under the jurisdiction of the Board of Assessors for the purpose of reimbursing Paul F. Bruno for three weeks of vacation time.

Voice vote unanimous.

It was moved and seconded that the Town vote to increase the appropriations limit established by Chapter 151 of the Acts of 1979 by \$341,649.43 so that the appropriations limit as so increased will be \$14,501,807.43.

Voted: To increase the appropriations limit established by Chapter 151 of the Acts of 1979 by \$341,649.43 so that the appropriations limit as so increased will be \$14,501,807.43.

Voice vote unanimous.

It was moved and seconded to dissolve the warrant and it was so voted—voice vote unanimous.

SPECIAL TOWN MEETING

June 25th 1980

At 7:15 P.M. Town Clerk Katherine E. Cullinan held an election in Precinct 3. Moderator Noferi announced that Edward J. Curran, 41 Forest Street, was elected to fill a 2 year vacancy term in Precinct 3 to serve until the next annual town election.

The meeting was called to order by Moderator Michael J. Noferi at 7:30 P.M.

The Monitors reported 129 persons present, a sufficient number to constitute a quorum.

The Town Clerk read the warrant and the officer's return thereon.

State Representative Salvatore P. Cimino presented the following RESOLUTION:

THE COMMONWEALTH OF MASSACHUSETTS In the year one thousand nine hundred and eighty RESOLUTIONS CONGRATULATING THE TOWN OF MILFORD ON THE OCCASION OF ITS TWO HUNDREDTH ANNIVERSARY.

WHEREAS, Milford in 1780 became a separate township as a tangible demonstration of the desire for religious freedom, during the height of the American Revolutionary War; and

WHEREAS, The Town developed by 1830 into a thriving agricultural community and resource for the entire region; and

WHEREAS, The Town by 1880 was the mercantile, and commercial center of the area through its shoe and leather business, as well as its significant participation in the cigar, straw hats and weaving loom industries; and

WHEREAS, Milford quarries soon thereafter began to produce the famous pink granite used in municipal and private monuments and edifices throughout the Nation; and

WHEREAS, Throughout its history (but especially since 1860) Milford responded to its Nation's call by providing more than its fair share of fighting men; and

WHEREAS, Diversification of its industrial base has caused Milford to become the site of the world's liquid chromatography industry as well as one of the foremost locations for the manufacture of glass articles; and

WHEREAS, Milford has developed since 1900 into a diverse (but never divisive) home for many ethnic, racial and religious groups, all whom have contributed to forging an ever-stronger Milford community; and

WHEREAS, The Town of Milford has since its inception contributed substantially to the benefit of the Commonwealth; therefore be it

RESOLVED, That the Massachusetts House of Representatives hereby extends its congratulations and best wishes to the Town of Milford on the memorable occasion of the two hundredth anniversary of its founding; and be it further

RESOLVED, That a copy of these resolutions be forwarded by the Clerk of the House of Representatives to the Town Clerk of the Town of Milford to be filed with the records of said Town.

Article 5. To see if the Town will vote to raise and appropriate a sum of money for the purpose of replacing and relaying a portion of the sewer line on Congress Street between Spruce and West Pine Streets, 400 feet, more or less, and to meet that appropriation, to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow said sum as bonds or notes under the provisions of Chapter 44, Section 7, Clause 1 of the General Laws, as amended, and to further authorize the Board of Sewer Commissioners to accept and expend any State and Federal funds which might be granted to the Town for the aforesaid purposes, or take any other action in relation thereto. (Sewer Commissioners)

Voted: That the Town raise and appropriate the sum of \$40,000.00 for the purpose of replacing and relaying a portion of the sewer line on Congress Street between Spruce and West Pine Streets, 400 feet, more or less, and to meet that appropriation, to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow said sum as bonds or notes under the provisions of Chapter 44, Section 7, Clause 1 of the General Laws, as amended, and to further authorize the Board of Sewer Commissioners to accept and expend any State and Federal funds which might be granted to the Town for the aforesaid purposes.

Voice vote unanimous.

Article 6. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be used by the Sewer Commissioners for the purpose of extending sewer lines on Maple Street from their present termination point on said Maple Street for a distance along said street of approximately 2,600 feet, more or less, or take any other action in relation thereto.

(Sewer Commissioners)

It was moved and seconded that the Town vote to raise and appropriate the sum of \$176,000.00 to be used by the Sewer Commissioners for the purpose of extending sewer lines on Maple Street from their present termination point on said Maple Street for a distance along said street of approximately 2,600 feet, more or less; and to meet that appropriation, to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow \$176,000.00 as bonds or notes under the provisions of Chapter 44, Section 7, Clause 1 of the General Laws, as amended; and to authorize the Board of Sewer Commissioners to expend such appropriation for the aforesaid purpose; and further, to authorize the Board of Sewer Commissioners to accept and expend any State and Federal funds which might be granted to the Town for the aforesaid purpose.

It was moved and seconded to consolidate, for discussion purposes only, articles 6 through 10 and it was so voted—voice vote unanimous.

Unanimous consent given to Planning Assistant Martin Goldstein to address the meeting.

After considerable discussion it was moved the "previous question". A standing vote was taken and 73 persons having voted in the affirmative and 47 in the negative the necessary 2/3 votes not having been received, the motion to move the "previous question" was defeated.

After further discussion it was moved the "previous question" and it was so voted—standing vote 109 in favor — 5 opposed (2/3 vote).

Action now came on the motion and it was

Voted: To raise and appropriate the sum of \$176,000.00 to be used by the Sewer Commissioners for the purpose of extending sewer lines on Maple Street from their present termination point on said Maple Street for a distance along said street of approximately 2,600 feet, more or less; and to meet that appropriation, to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow \$176,000.00 as bonds or notes under the provisions of Chapter 44, Section 7, Clause 1 of the General Laws, as amended; and to authorize the Board of Sewer Commissioners to expend such appropriation for the aforesaid purpose; and further, to authorize the Board of Sewer Commissioners to accept and expend any State and Federal funds which might be granted to the Town for the aforesaid purposes.

Standing vote 95 in favor — 20 opposed (2/3 vote).

Article 7. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be spent under the jurisdiction of the Board of Selectmen for the purpose of extending water mains on Maple Street from their present termination point on said Maple Street for a distance along said street of approximately 2,600 feet, more or less, or take any other action in relation thereto. (Board of Selectmen)

Voted: To raise and appropriate the sum of \$60,000.00 to be spent under the jurisdiction of the Board of Selectmen for the purpose of extending 12-inch water mains on Maple Street from their present termination point on said Maple Street for a distance along said street approximately 2,600 feet, more or less; and to meet that appropriation, to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow \$60,000.00 as bonds or notes under the provisions of Chapter 44, Section 8, Clause 5 of the General Laws, as amended; and to authorize the Board of Selectmen to expend such appropriation for the aforesaid purpose; and further, to authorize the Board of Selectmen to accept and expend any State and Federal funds which might be granted to the Town for the aforesaid purposes.

Standing vote 101 in favor — 13 opposed (2/3 vote).

Article 8. To see if the Town will vote to amend the Zoning By-Law by amending the map entitled Milford, Mass. - Zoning referred to in Section 2.1.1 of the Zoning By-Law, which amendment will extend the existing Highway Industrial (IB) Zoning District on the southerly side of Maple Street south easterly of Beaver Street by rezoning from Single Family Residential (RC) to Highway Industrial (IB) an area bounded on the north by Maple Street approximately 600 feet; on the west by Beaver Street approximately 2100 feet; on the south and easterly side by the Milford-Bellingham boundary for 1800 feet, more or less, and also on the easterly side by the existing Highway Industrial (IB) District for 600 feet, more or less; except for the parcel shown on the Milford Assessors Sheet number.

54, lot number 1, now or formerly owned by Alfred L. Tumolo, Maple Street Milford, and more fully described in a deed recorded at the Worcester District Registry of Deeds at Book 6786, page 261, which excluded parcel is adjacent to the southeasterly side of Beaver Street and is supposed to contain 3.5 acres, more or less, of land, or take any other action in relation thereto.

(Redevelopment Authority)

Planning Board Chairman Michael T. Parente presented the following report:

Public Hearing held on June 11, 1980 - Public Hearing Report - Land Assembly/Redevelopment Project.

The public hearing opened at 8:00 P.M. The Clerk read the public notice as it appeared in the Milford Daily News. All five members of the Planning Board were present: Chairman Michael Parente, members Seena Heller, John Tessicini, James Griffith, and Joseph Ciaramicoli. Approximately twenty-five interested individuals also attended.

Mr. James Parente, Chairman of the Redevelopment authority, explained that this is a proposal to rezone land to produce an approximately 106 acre parcel of industrially zoned land to be utilized as an industrial park. A small portion of the land in question is owned by individuals on which there are no homes to be relocated. Mr. Parente continued that the land will be accessible to Route 495 and sewerage can be made available at minimum cost. Mr. Parente stated that if the park should be realized, he believed the value of land in the area would increase. He continued that this proposal is being considered as a means to broaden the tax base and help alleviate the burden on homeowners.

Mr. Ronald Jencks asked how it was determined that if the land were rezoned industrial, it would increase in value. Mr. Parente stated that it has been past experience that industrially zoned, sewerred land increases in value to business interests. Mrs. Marilyn Balducci asked about the land on the other side of Maple Street and was informed by Mr. Parente that 500 feet to the interior is zoned industrial and across from her home the only residential properties are those of Mr. Jencks, the Town of Milford, and Varney.

Mr. Vincent Nappa protested that sewerage could be provided at minimum expense stating that no figure has been given for the sewer and water work, fixing Maple and Beaver Streets, and taking the land. Mr. Tumolo stated that if the roads are not improved, large vehicles could not use them and estimated the tax rate would increase \$8.00 just from building the street. Mr. Nappa asked if test borings had been done on Maple Street and was told by John Bird of the Sewer Department that some tests had been done which results were within the cost allowed by the authority. The Planning Assistant stated that the Town has plans to upgrade services in the area and only a gravity sewer will be required. The cost of installing a pumping station, he said, would be borne by industry locating in the area.

Mr. Nappa stated that 40 per cent of the land in question is severe wetland and bedrock. Mr. Tumolo stated that he believed fifty acres of Varney's land is under water half of the year. Planning Assistant Goldstein stated that of the area in question, only 30 per cent can be utilized as a building lot. It makes sense, he stated, to provide 100 acres and allow room for buffer zones and proper road capacity. He continued that there are rules and regulations and board approvals that any building plan must meet and which exist to protect the residents of the area. Also, he stated, the report contains statements that the character of the neighborhood be preserved.

Mr. Nappa stated that the residents do not object to the concept of an industrial park, but to the taking of their land. He continued that he thought land behind Water's Associates to be prime industrial land. Mrs. Heller explained that this was not so and that 100 useable acres do not exist there. Mrs. Heller informed that there is a potential for more residential growth in Milford and stated she saw the need to balance the fiscal burden which homeowners cannot carry alone.

Mr. Tumolo questioned why the 300 acres of land already zoned industrial by professional planners is not being used for this purpose. Mrs. Marie Parente, Chairman of the Board of Selectmen, stated that the Town has since hired it's own advocate and that painful experience has shown that very little of that industrially zoned land is suitable. Mrs. Parente continued that by a process of elimination, while trying to attract other business, town officials have found that the parcel beng discussed is the most favorable and attractive to industry.

Attorney Joseph LaSorsa, representing Mr. Tumolo, asked about the area off East Main Street already zoned industrial. The Planning Assistant stated that there is no sewer line and that developers have been unimpressed with the area because of ledge, rock, and steep grades. In his professional opinion, he continued, the Beaver Street location is better.

Mr. Henry Guidali asked about utilizing land near the Holliston line that is zoned industrial. Mr. Bird stated that the cost of providing sewerage would be prohibitive as studies reveal solid ledge.

Attorney LaSorsa stated that 90 per cent of the homes at the corner of Beaver and Maple have been constructed within the last ten years and this developed area could not be considered blighted. He asked if the sewer and water lines would be extended further to accomodate residents' tying in. The Planning Assistant stated that it may be a possibility in the future.

Mr. Tumolo stated the residents depend upon wells and asked if necessary blasting would disturb them. Mrs. Balducci stated that in the past, construction of 495 has disturbed her well. The Planning Assistant stated that wells are located upstream from the proposal and should not be affected.

Mr. Nappa asked if this proposal would accomodate only one client. Mr. Tredeau explained that the land could be used in many ways by one firm or ten. He stated that 100 acres are needed to develop an industrial site and that he hoped one or two businesses might locate there and generate work for and with existing firms.

Mrs. Balducci asked if construction of a fire station in the area was planned because of the distance from services. Mr. Griffith replied that the Town will have to consider placing services in outlying areas eventually. The Planning Assistant stated that upgrading services would result in hydrants being placed in the area.

Mrs. Nappa asked if the Town might wait until definite interest is expressed in the area and then institute the rezoning procedure. Town Counsel Moody stated that companies do not want to deal with possibilities, but with actualities. Nor, he continued, does business want to buy more land that it requires. The Town is well advised, he stated, to prepare a proposal in advance.

Mrs. Nappa questioned the speed with which the proposal has been processed and was informed by Mrs. Parente that work by Town boards has been ongoing since March, although the public process has been recent.

Mr. Jencks asked if the proposal did not materialize, would the landowner have the opportunity of repurchasing the land. Town Counsel Moody stated that if the land were

taken, and not put to use intended, the Redevelopment Authority would be in a position to return it, and although he could not speak for the Authority, he presumed the original owner's interest would be considered.

Attorney LaSorsa, Mr. Jencks, and Mrs. Nappa asked if a specific industry has expressed interest in the proposed site. Town Counsel Moody replied that interest has been expressed in the past, and since publication of this proposal, the Town has received many inquiries. Mrs. Parente informed that the Town has no firm commitment yet, but does have some very good prospects.

All parties having been heard, Mr. Griffith stated that he believed the Town should encourage industry and that this proposal had brought forth the efforts of all Town boards. Mr. Griffith moved to close the public hearing and recommended favorable action to Town Meeting on this proposal. Mr. Tessicini seconded. Unanimous vote of five.

Article 9. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be used by the Milford Redevelopment Authority to defray all of the development, acquisition and land clearance costs to be incurred by said Redevelopment Authority in the furtherance of its' Land Assembly/Redevelopment Project and to meet said appropriation, to authorize the Town Treasurer with the approval of the Board of Selectmen to borrow all or part of said sum as bonds or notes under the provisions of Chapter 121B, Sections 20 and 21 of the General Laws as amended, and to further authorize the Selectmen to enter into an agreement with the Milford Redevelopment Authority whereby the Town will bear all acquisition costs and will bear any loss that may arise as a result of any taking, acquisition, or clearance of land in connection with said Redevelopment Project in accordance with the provisions of Chapter 121B, Sections 20 and 24, as amended, or take any other action in relation thereto.

(Redevelopment Authority)

Voted: To raise and appropriate the sum of \$225,000.00 to be used by the Milford Redevelopment Authority to defray all of the development, acquisition and land clearance costs to be incurred by said Redevelopment Authority in the furtherance of its' Land Assembly/Redevelopment Project and to meet said appropriation, to transfer \$25,000.00 from the Excess & Deficiency Account and to authorize the Town Treasurer with the approval of the Board of Selectmen to borrow all or part of the balance of \$200,000.00 as bonds or notes under the provisions of Chapter 121B, Sections 20 and 21 of the General Laws as amended, and to further authorize the Selectmen to enter into an agreement with the Milford Redevelopment Authority whereby the Town will bear all of the acquisition costs and will bear any loss that may arise as a result of any taking, acquisition or clearance of land in connection with said Redevelopment Project in accordance with the provisions of Chapter 121B, Sections 20 and 24 of the general laws as amended.

Standing vote 96 in favor—16 opposed (2/3 vote)

Article 10. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the following purposes:

1. Surveying and engineering work necessary for the reconstruction, repaving of and installation of street drainage on Beaver and Maple Streets beginning at a point about 1,000 feet, more or less southerly of the cul de sac on Beaver Street and continuing on Maple Street to the southerly intersection of Maple and Beaver Streets, a distance of 7,800 feet, more or less; and
2. Installation of street drainage on Maple Street from the terminus of an existing drainage culvert on Maple Street in a southerly direction from said culvert for a distance of 3,600 feet, more or less; and
3. Reconstruction and repaving of Maple Street for a distance of 2,600 feet, more or less, in a southerly direction beginning at the termination of the existing sewer line on Maple Street.

or take any other action in relation thereto.

Voted: To raise and appropriate the sum of \$295,000.00 in accordance with the following schedule and for the following purposes and to meet said appropriation as hereafter stated:

1. \$10,000.00 of said sum to be transferred from the Excess and Deficiency Account for the purpose of performing survey and engineering work necessary for the reconstruction, repaving of and installation of street drainage on Beaver and Maple Streets beginning at a point about 1,000 feet, more or less southerly of the cul de sac on Beaver Street and continuing on Maple Street to the southerly intersection of Maple and Beaver Streets, a distance of 7,800 feet, more or less; and

2. \$175,000.00 of said sum to be borrowed by the Town Treasurer, with the approval of the Selectmen, as bonds or notes under the provisions of Chapter 44, Section 7, Clause 1 of the General Laws, as amended, for the purpose of installation of street drainage on Maple Street from the terminus of an existing drainage culvert on Maple Street in a southerly direction from said culvert for a distance of 3,600 feet, more or less; and
3. \$110,000.00 of said sum to be borrowed by the Town Treasurer, with the approval of the Selectmen, as bonds or notes under the provisions of Chapter 44, Section 7, Clause 5 of the General Laws, as amended, for the purpose of reconstructing, widening and repaving with bituminous concrete or bituminous macadam on Maple Street for a distance of 2,600 feet, more or less, in a southerly direction beginning at the termination of the existing sewer line on Maple Street;

And further, to authorize all of said sum to be spent under the jurisdiction of the Board of Selectmen and to authorize said Board to accept and expend any State or Federal funds, which might be granted to the Town for the aforesaid purposes.
